Parking Location

Our 163,000 sq. ft. attached parking garage is located behind the Terre Haute Convention Center off Cherry Street. We have 450 parking spaces with 17 ADA-compliant parking stalls and elevator access.

There are currently 100 reserved parking spaces that are clearly marked with dedicated signs.

To ensure smooth operations and accessibility for all, we kindly ask that everyone be mindful not to park in 'reserved' parking spaces and to select any other available spot found on all 5 floors.

Accessing the Garage

You can enter the garage by using both entrances. Simply pull up to the entrance gate and push the 'pull ticket' button and take your parking ticket. The gate will automatically open.

Exiting the Garage

When leaving the garage, pull up to the gate and scan your parking ticket that you received at entry in front of the red light. Next, enter your credit card, and chip into the card slot. Be sure to leave the card in until the machine says to remove your card. The gate will automatically open.

Safety and Security

Our parking garage is equipped with surveillance cameras and well-lit areas to provide a secure environment. However, we recommend not leaving valuables in your vehicle and ensuring it is properly locked before leaving. The Terre Haute Convention Center is not responsible for any lost, stolen, or damaged property.

Need Assistance?

If you have any questions, concerns, or require assistance with parking, please call our office Monday through Friday 8:00 a.m. to 5:00 p.m. If you need assistance after business hours, push the help button and the operator will assist you.
